*It's Time to Celebrate
the Best of Clark County.*

This year marked the fourteenth year for Best of Clark County which is one of the most anticipated promotions conducted by The Columbian as is evidenced by the participation of about 27,000 people who cast almost 300,000 nominations and votes for businesses in 194 categories.

We are pleased to see such broad community support for Clark County businesses and organizations, especially given the events of the past year-and-a-half.

We are excited to announce this year's winners and finalists and encourage everyone to continue to show their support for these organizations who make Clark County the BEST place to live, work and shop.

Congratulations ALL!
