# Welcome to *Connecting Community,*

our newest special section that hopes to connect our readers with the various nonprofit organizations that serve our community throughout the year. Please also check out the “Happy Holidays in the Couve” section in today’s paper, with five Nonprofit Spotlight articles about other organizations doing great things in Clark County. Future issues of ‘Connecting Community’ may include information on volunteering, resources, and more stories about the nonprofits in our area.

This issue, ‘The Giving Guide,’ is focused on the season of generosity and asks you to give a gift to these organizations that support our friends and neighbors. Consider a year-end donation or a give a gift to friends or family members with a donation made in their name. **“Being generous of spirit is a wonderful way to live.” - Pete Seeger.**

Happy Holidays!
