2022-2023

*Your Guide  
to Local  
Resources,  
Clubs and  
Organizations*

## The Columbian

**Every year we ask our readers to submit their club and organization information for inclusion in the annual Columbian Resource Guide.**

Our goal is to produce a helpful guide to the various organizations and nonprofits that make our community so vibrant. While not comprehensive it does include information on a variety of community organizations.

We also include information about local government, schools, and useful community information. Our intent is to provide a guide you will reference all year.

For information on being included next year contact [resource-guide@columbian.com](mailto:resource-guide@columbian.com). For additional advertising opportunities for your club or organization contact [communitypartnerships@columbian.com](mailto:communitypartnerships@columbian.com) or call **Teresa Davis at 360-735-4572.**

## Community Foundation for Southwest Washington

The Community Foundation for Southwest Washington serves to inspire a culture of giving for a vibrant and engaged community. Operating at the intersection of community and philanthropy, our team works with passionate people across our region to identify and pursue comprehensive solutions that benefit everyone in southwest Washington.

We accomplish this through a combination of programs and services that strengthen the efforts of local donors, nonprofits and communities.

As a philanthropic leader, we promote giving by connecting donors to critical causes they care about. Give More 24! is a prime example of our efforts to make charitable giving accessible to everyone. Over the last nine years, this event has empowered area nonprofits to raise over \$16 million through more than 60,000 individual gifts.

We are proud of what nonprofits and donors have accomplished, and we thank our community of givers for giving our region's incredible nonprofits a big lift! As we look ahead, we aim to continue and grow the impact of this day of giving by joining forces with GiveBIG, a statewide fundraising campaign operated by 501 Commons. This exciting, 48-hour giving event is already scheduled for May 2-3, 2023.

This move will ensure a giving day continues locally, while also providing nonprofits with a year-round fundraising platform, extensive training and resources, and a broader community of donors through the Washington Gives network. We are committed to making this transition as smooth as possible for our nonprofit and community partners, because they are at the core of our mission.

We will continue to offer strategic advice to help individuals, families, and companies create meaningful giving plans that align with their values. Nonprofits can also count on our ongoing support and partnership in addressing persistent and emerging needs.

Our Focus Grants program is a central part of this work and offers funding in three impact areas: educational attainment, basic human needs and asset building. These grants focus on achieving shared prosperity by opening opportunities—in every stage of life—for those facing the greatest barriers and challenges in our community.

Working in these ways, we will carry on our mission, and we hope you'll be walking alongside us as we work to improve life for everyone in southwest Washington.

**O**utsiders Inn believes in building community through involving the people of the community. We keep our goals simple. It is rooted in **HOPE: Helping Out People Everyday** staying connected to community and resources. Our program services in Clark County, at this time, includes:

**The St Paul's Men Shelter**, downtown on the corner of Franklin and 14th St., shelters 25 men from 6:30p to 7am overnights only. (all-day weekends and some holidays) Connect to spots through the Housing Hotline 360-695-9677.

**The Outpost Safe Stay Community**, with 20 non-congregate units sheltering 20+ persons. Space includes porta-potties, regular trash service, and community eating space with tables. The community members have a 24-hour Peer Supported space and engage in services that include weekly community meetings and connecting with needed community resources to improve wellness and readiness for housing. Referrals are made through area Outreach teams, more information is available by emailing [outpost@outsidersinn.org](mailto:outpost@outsidersinn.org)

**The Project Hope Street Outreach team** responds to persons experiencing homelessness on the streets and in encampments. They meet folks where they are at and support them as they navigate the system and work hard to reach their individual goals. They can be reached by phone 360.839.9964 or email [outreach@outsidersinn.org](mailto:outreach@outsidersinn.org)

**The winter Satellite Overflow Shelter program** rotates like a satellite between Beautiful Savior Lutheran Church, Immanuel Lutheran Church and River City Church and connects an additional 15 sleeping spots for single women, couples in the coldest season of the year. Connect to spots through the Housing Hotline 360-695-9677.

**The Unhoused Resident Mail Service.** Here in Clark County, Outsiders Inn supports mail pick up service 6 days a week at 2 different locations. St Paul's Lutheran Church Downtown Monday through Friday 11am - 2pm and at Live Love Ministries on Sundays 1:30p - 4p located at Living Hope Church. **Use your phone to text OIMAIL to 360.291.5980 & receive a sign-up link!**

Community Volunteer Opportunities include: **The Outsiders Inn Meal Train** calendar at [www.MealTrain.com/outsidersinn](http://www.MealTrain.com/outsidersinn) connects local community volunteer cooks with an opportunity to share their culinary skills with the shelter locations.

**In-person volunteer opportunities** are starting up again! Help us continue to connect to community to collaborate and create compassionate solutions in our post-pandemic spaces, email us at [waystohelp@outsidersinn.org](mailto:waystohelp@outsidersinn.org).

We are open to visits, tours or even a conversation or talk in your location to share about what we are doing. Email [connect@outsidersinn.org](mailto:connect@outsidersinn.org) to get more information.

The Columbian  
**COMMUNITY**  
*Partnerships*

Columbian Community Partnerships has worked with hundreds of local area nonprofits to help soar past their goals over the past 30 years. Through our Local Public Service Announcements, Community Partnerships matching funds program, Nonprofit Spotlight promotions and offering specially priced advertising options to our Give More 24! participants we are able to share our Columbian audience and help nonprofits get their message out.

We are proud to support southwest Washington nonprofits and our neighbors by encouraging our community to get involved and give generously of time, talent and resources to nonprofits of all varieties across our area.

If you'd like more information on how Columbian Community Partnerships can help your nonprofit organization soar into the future, contact **Teresa Davis** at [CommunityPartnerships@columbian.com](mailto:CommunityPartnerships@columbian.com) or **360-735-4572**.

# CLARK COUNTY

*Motto:  
Proud Past,  
Promising Future*

**Clark County** packs a lot into its **656 square miles**: seven cities (and part of an eighth), rural landscapes, urban cityscapes, unique neighborhoods, great schools, active volunteers, strong environmental stewardship, thriving businesses, friendly people, mild climate and year round outdoor recreation opportunities.

With its pristine beauty, natural resources and mild climate, this area has always attracted people--from the native tribes of ancient times, to the era of explorers and settlements, and now the modern days of continued growth and industry.

Rugby is a fun and inclusive sport for both boys and girls. Tall or not so tall, lean or stocky, fast or not so fast: there is a position for everyone and everyone gets to play. Rugby started in Clark County in 1999. In 2007 a HS Boys team started in Battle Ground and we have grown considerably, with up to 200 local youth playing in teams for girls and boys from 3rd grade to HS. **PLAYING SCHEDULES:**  
Our spring season kicks off in late January and the championships are in the last weekends in May. We have a Touch Rugby program during the summer months every Thursday from June to September in Battle Ground 6pm-8pm. It's fast, fun and again, everyone gets to play. Boys, Girls, Adults & Youth. In the Fall, we have a 7s competition, starting in September and finishing up late October.

## Redefining Preschool

Educational Opportunities for Children & Families (EOCF) provides the following FREE services for qualifying families:

**Family Advocacy**

**Prenatal Care**

**Daily Nutrition**

**Family Goal Setting**

**On-Site Interpreters**

**Preschool & Childcare**

[EOCFWA.org](http://EOCFWA.org)

## What do you imagine of when you think of “preschool”?

Is it behavioral assessments to develop customized curriculum? What about on-site, multilingual interpreters? How about guided, homebased learning projects? Oh, and what about family goal setting for legal guardians, foster parents, and even grandparents?

When we think of “preschool” we see generational change; the chain-reaction of opportunity, that begins with the care and education of our children and families furthest from opportunity.

**Educational Opportunities for Children & Families (EOCF)** is a leading provider of comprehensive early childhood education and family support programs throughout Southwest Washington. Through a holistic approach to early learning combined with our proven record of success, EOCF provides multi-generational supports to children and families who need it most.

Early Childhood Education is the priority work of EOCF, offering Early Head Start, Head Start, and ECEAP programs to children starting from birth to 5 years old. Since 1967, EOCF has been committed to disrupting the cycle of generational poverty by providing equitable access to childcare and early learning programs for families throughout the region.

Each year, EOCF supports thousands of children and families across 30 locations, within 40 classrooms and homebased programs throughout Clark County, Cowlitz County, and Pacific County. From prenatal support to family unit goal setting, even opportunities to continue education and career development through Parent University, EOCF’s program families receive the child-focused support they need, as well as the resources necessary to provide for their entire household’s health and well-being.

As a nonprofit, EOCF’s programs are sustained by thoughtful contributions from community donors and leaders within the region who support Early Childhood Education and the impact it has on the future of the community and the workforce. Year after year, EOCF’s Champions for Children, our generous supporters, have the chance to witness the exponential growth of our children and families furthest from opportunity. With your support, we can redefine what it means to provide our next generation in education, and in life.

Learn more about what it means to be a Champion for Children at [EOCFWA.org/Donate](http://EOCFWA.org/Donate).

# Some stability among rising prices

Plenty is uncertain these days but one thing that hasn't changed is your electric rates. We're doing everything we can to keep your rates as low as possible while maintaining the reliable service you expect. In fact, electric rates in Clark County have remained the same for more than 11 years.

While rates haven't changed, you may see changes in your monthly bill. That's because utility bills change due to extreme weather. And we've experienced our fair share this year, with cold weather last winter and hot weather this summer.

**Here are some of the many ways you can save money by using electricity more efficiently.**

## Heating and cooling

- Adjust the thermostat by one or two degrees
- Use the programmable feature on the thermostat, if there is one
- Close window coverings to keep heat inside during the cold season and outside on hot summer days

## Water heating

- Wash only full loads in your clothes washer and dishwasher
- Use the cold water cycle to wash clothes
- Set your dishwasher to air dry
- Take shorter showers
- Install low-flow shower heads and faucet aerators to reduce use of hot water

## Electronics

- Use smart strips to turn off computer equipment and entertainment devices when not in use
- Choose the energy-saving mode on electronics when available

## Refrigeration

- Keep your refrigerator at 37 to 40 degrees and your freezer at 0-5 degrees
- Say goodbye to the extra fridge or freezer and unplug the less efficient unit

## House tightening

- Repair or replace exterior door weather stripping to stop drafts
- Make sure windows are properly caulked on the outside  
*Look for cracks or where caulking has pulled away from the window frame or wood frame of exterior wall. Deficient caulking should be removed before installing new caulking.*

## Lighting

- Replace burned out light bulbs with LED bulbs
- Turn off unneeded lights

If you have trouble paying your bill, please call us right away at 360-992-3000. Assistance is available and we're ready to help.
