CLARK COUNTY FAIR WE'VE GOT IT ALL

August 2 - 11, 2024

Welcome to the 2024 Clark County Fair! Summer has arrived and Fair is just around the corner. What could be better than a party that has it all – and We've Got It All. The staff, Fair Board, and Volunteers are dedicated to making the Fair an extraordinary family event with the best in entertainment, food, shopping, fun and farm all in one place.

Like every year, we have added new acts to our entertainment lineup, from the top-quality concerts to the strolling entertainers. A primary goal in our planning process is to deliver a diversified entertainment experience that appeals to everyone.

I am happy to say we have done that and were able to keep the cost of gate admission the same as it was last year. Additional savings are available by purchasing your tickets in advance and please consider riding C-Tran to avoid the traffic and parking costs.

Fairs across the country, and agriculture in particular in Clark County, have been facing an increasing challenge to stay relevant to their goal of educating the public on the importance of agriculture in the face of fewer family farms yearly. The expectations of today's youth and families are considerably different than what they were in 1868.

Striking a balance that recognizes both the mission and the need to stay current is one that the Clark County Fair has done very well. This year is no exception. We have planned a great event that has it all and with you in mind.

I am confident that your visit will be all that you hoped for, and I encourage you to take advantage of all the educational, recreational, shopping, and dining opportunities the Fair has right at your fingertips.

Again, welcome, and thank you for attending the Clark County Fair!

I love living in Clark County. I have raised my family here and I have been a part of the small business community for over 20 years. I am a people person and foodie. I am a lifetime beach enthusiast with interests in decorating, crafting, cooking, gardening, glass work and ceramics. Enjoying meeting new people and finding unique places to visit are what makes my heart sing. Let me sing with you!

"Tracy is amazing. I wouldn't use anyone else at this point. She held my hand through selling my large home post divorce, through a year of renting and looking, making and pulling my first offer, to finally finding the perfect place for my boys and I. She is amazing....did I say that? Her guidance helping me as a first time primary loan holder and home buyer was such a stress relief! Thank you thank you!!"

Get the most from your home's air conditioner

You'll save energy and money with these ideas to help you keep cool this summer.

- Take advantage of cooler outside temperatures in the morning and evening. Open windows and move warm air from your home.
- During the day, close draperies and blinds to keep out heat. Sunshine on windows heats up a room and makes your air conditioner work harder.
- Set your thermostat as high as is comfortable in the summer, and raise the set point by five degrees or more when you're sleeping or away from home.
- If you don't have a programmable or smart thermostat, consider installing one for improved efficiency. A smart thermostat allows you to set your system to adjust automatically based on your schedule and habits.
- Replace furnace filters regularly to get the best performance from your system.

FUN IN THE COUNTRY

WHAT'S A COUNTY FAIR WITHOUT HUNDREDS OF ANIMALS, BLUE RIBBONS, AND APPLE PIES? FOR MANY, THE REAL REASON TO VISIT THE CLARK COUNTY FAIR IS TO SEE ALL KINDS OF GREAT PROJECTS LOCAL KIDS PRODUCE.

Head, Heart, Hands, and Health are the four H's in 4-H, and they are the four values on display during the run of the Clark County Fair through fun and engaging programs and activities. Look for science displays, breeding programs, kitchen activities, animal judging contests, and many great activities.

The National FFA Organization shows its stuff with various animal programs and projects.

The Grange will be here with their Featured Ag Display.

THE CLARK COUNTY FAIR VOLUNTEER OF THE YEAR FOR 2024

The Clark County Fair proudly announces that Mary and Chad Powers are your Volunteers of the Year! Mary and Chad are devoted volunteers who have made an enormous difference for our Fair. Mary has been a volunteer for more than 20 years and has served as president and captain of the Mounted Patrol, been a barn manager, assisted with 4-H, and been a steadfast supporter. Chad has also been involved in helping the Mounted Patrol, providing utility terrain vehicles from his employer, Peterson CAT, when it was too hot for horses, and Chad assists every year in post-Fair clean up. Mary and Chad have been instrumental in the success of the Special Kids Rodeo – a very popular event held each year during the Fair. Even in the off-season, both assist the Clark County community. In 2022, during the Nakhia Creek fire, many farmers and ranchers needed to evacuate their homes and find refuge for their horses, and the Clark County Fairgrounds became that shelter. Volunteers like Chad and Mary were required to help – they stepped up to help oversee and care for the horses during a tragic time. Thank you, Mary and Chad, for all you do!
