The Vancouver Symphony Orchestra's ongoing mission is to enhance the quality of life in Southwest Washington by providing symphonic music of the highest caliber in live performances and through music education in schools, concert halls, and throughout the community.

The 2023/24 season at the VSO includes brilliant music from Ravel, Mahler, Tchaikovsky, Beethoven, and so many others. In our 45th season, you'll discover new favorites alongside the most celebrated music of all time. Our symphonic series features an amazing lineup of world-class guests such as Philippe Quint, who is among America's preeminent violinists, and Vincent Larderet, one of the leading French pianists of his generation.

We are also presenting a full season of breathtaking chamber music. Characterized by small ensembles and intimate settings, chamber music demands excellence from each and every performer. The audience and musicians alike are in close conversation, creating an exhilarating experience unlike any other. This season we are presenting some of the greatest chamber music masterworks of all time with VSO Artist-in-Residence Orli Shaham, along with a series of silent film classics accompanied by live music just like in the movie theaters of the 1920s.

We are committed to making music accessible to all, which means we bring musicians into local classrooms and school auditoriums and offer need-based discounts on concert tickets. We play special concerts in assisted living facilities and offer other opportunities for adult learning, including pre-concert talks, the Vancouver Symphony Orchestra Podcast, and the Vancouver Symphony Orchestra blog. The VSO also holds an annual Young Artist Competition, where young musicians from across the nation compete before a panel of esteemed judges to win cash scholarships and the opportunity to perform their solos with the Vancouver Symphony Orchestra.

There are so many reasons to discover what's in store this season with the VSO. Whether you're looking for a unique date night, a fun and educational outing with your kids or a new holiday tradition, you'll find a welcoming community and an outstanding musical experience. This season, discover that world-class music belongs to everyone.

Season subscriptions are still available, and single tickets are now on sale. Find your seat at [vancouversymphony.org](http://vancouversymphony.org) or call (360)735-7278 and our friendly office staff will be happy to help you.

## SHARE'S GIVE WITH CHEER PROGRAM LASTS ALL YEAR!

November and December are a time filled with generosity for others in our community. Share is grateful to individuals and local businesses eager to help us fill our warehouse shelves with new, high-need items to be distributed to our clients through our Move-In Kit and Request for Items program now and in the coming year.

You could provide a growing teen with a new pair of shoes or a parent with a crock pot to make nutritious family meals in their new home, and so much more. And we know that many of you like to start planning and shopping early, so here are ways you can help:

### ▪ Purchase New, High-Need Items or Fill a Move-In Kit:

We maintain a list of high-need items at [sharevancouver.org](https://sharevancouver.org) (click 'Donations' then 'Donate Resources'). Select and purchase a new item (or 2 or 3!) and drop it off during our Warehouse Open Hours at the Share Fromhold Service Center, 2306 NE Andresen Road: Tuesdays, 10 a.m. to 12 noon Thursdays, 2 to 4 p.m. You can also purchase items online and have them shipped to the address above.

**Contact Brittany Hardaway at [bhardaway@sharevancouver.org](mailto:bhardaway@sharevancouver.org).**

### ▪ Host 'Make a Home' Donation Drive:

'Make-a-Home' Wish Tags are a convenient way for community members to purchase and donate a high-need item for a child, teen, adult or senior in our housing and outreach programs. Donation drive organizers can share the items list or tags with co-workers and group members. We will also have a Gift Room available for families to shop for gift items throughout the month of December.

**Contact Brittany Hardaway at [bhardaway@sharevancouver.org](mailto:bhardaway@sharevancouver.org).**

### ▪ Fill a Food Box or Host a Food Drive:

Share distributes thousands of pounds of food each week through the Backpack Program and items are needed to keep the program stocked up. Fill a food box for our school pantries or host a food drive to fill multiple food needs. We can provide you with a list of most needed food items.

**Contact Miriam Moreno at [mmoreno@sharevancouver.org](mailto:mmoreno@sharevancouver.org).**

### ▪ Financial Donations and Cash Fundraisers:

Support Share's Annual Holiday Appeal with a donation online at [sharevancouver.org](https://sharevancouver.org) or a check in the mail to the address above. Or host a cash fundraiser with your friends, family, co-workers, neighbors or faith-based group.

**Contact Lisa Ring at [lring@sharevancouver.org](mailto:lring@sharevancouver.org).**

### ▪ Volunteer!

Join our volunteer team this season to help serve a meal, organize the warehouse or support the Gift Room. **Complete a volunteer application or group volunteer request online at [sharevancouver.org/volunteer](https://sharevancouver.org/volunteer).**

## Humane Society FOR SOUTHWEST WASHINGTON

rescue • return • restore • rehome • reconnect  
one animal at a time

For more than 125 years, the Humane Society for Southwest Washington has been in service to the pets and people in our community. Every day at HSSW, pets receive lifesaving care and a second chance at a happy home. We are a refuge for lost and stray pets, a safe space for animals fleeing abuse and neglect, and our foster & transport programs help thousands of pets in our community and beyond find the care and support they need.

Last year, more than 4,000 pets found new, loving homes thanks to HSSW. Thousands more received lifesaving care thanks to our Community Solutions - programs designed to reach families and pets in our community.

As the needs of our community evolve, we are reaching beyond the walls of the shelter to provide critical support where it's needed most. Our Community Solutions programs provide families and pets with pet food support, exams and preventative care Wellness Clinics, spay & neuter services, financial support for medical care, and other programs that make a difference for the pets who need us. Our investment in community pets keeps families together.

And we're more than the largest adoption center and shelter in Southwest Washington, we also operate ReTails Thrift Store, the premier thrift experience in Clark County. With more than 30,000 square feet of space, ReTails offers thrift store staples like home décor, clothing, kitchen supplies, vintage treasures, and furniture. And every purchase provides critical funding for the animals in our care. ReTails also supports our community providing Welcome Home Kits - including kitchen supplies, linens, cookware, and other home essentials - to clients of Vancouver Housing Authority entering transitional housing.

Thanks to our dedicated and hardworking team of staff and volunteers, we are here for the animals every day. And together with the support of our generous donors, we are working toward our vision of a community where everyone loves and cares for pets.

# BEST OF 2023 CLARK COUNTY

Looking for the best stuff in Clark County?  
Best park or hike? Best pizza or brunch?  
Best oil change or car lot?

The Columbian's Best of Clark County can help you decide among all the great eateries, shops, services and activities that our community has to offer. Get the inside scoop from the locals. Since 2008 locals have cast votes and named their favorites across many categories.

- Automotive
- Family Fun
- Food and Beverage
- Health and Beauty
- Home and Garden
- Pets
- Services
- Shopping
- Sports and Fitness

Best of Clark County winners include locally owned businesses as well as nationally known companies. Some winners are first-timers and others are old favorites. This year, more than 14,000 people nominated over 3,500 businesses during the nomination round to narrow the ballot down to the finalists. During the voting round, 15,000 people cast over 120,000 votes to help select the winners and runners-up in over 160 categories. This year's BOCC was one of the most competitive ever. The winners and runners-up in several categories were decided by less than five votes. Sometimes the difference was one vote, proving that the saying "Every vote counts" is true. Join us in celebrating the Clark County businesses who make our community great. Show your support by shopping and utilizing the services of these outstanding businesses and organizations.

## Northwest Association for Blind Athletes has Provided Opportunities for Individuals Who are Blind and Visually Impaired Since 2007.

Northwest Association for Blind Athletes (NWABA) provides life-changing opportunities through sports and physical activity to children, youth and adults who are blind and visually impaired. It all started when a group of visually impaired students from Vancouver, Washington, including NWABA Founder, President & CEO, Billy Henry, wanted to ensure that people who are blind and visually impaired had access to participate in sports and physical activity, and formed this charitable organization. NWABA uses sports and physical activity as a catalyst to provide life-changing opportunities for individuals who are blind and visually impaired to build confidence, self-esteem, independence, and a sense of community.

Being blind or visually impaired creates obstacles that can feel impossible to overcome, such as finding sustainable employment, participating in sports and activities, and connecting with others. When introduced to physical activity and sports, individuals with visual impairments are given the support and confidence needed to follow their dreams.

Since its inception, NWABA has delivered hundreds of hours of programming—both in-person and virtually—through more than fifteen types of sports events, and currently provides more than 3,000 program and service interactions to athletes throughout Washington, Oregon, Idaho and Montana.

In addition to the sports outreach programs offered year-round throughout the Pacific Northwest, NWABA offers several other opportunities for children, youth and adults who are blind and visually impaired, allowing athletes of all ages and athletic abilities to participate in their programs.

Camp Spark is a comprehensive overnight sports camp for individuals ages 8 - 21. Camp sessions are offered in the summer and winter seasons providing not only athletic opportunities, but campers also gain the skills and resources needed to help them achieve success in all areas of life.

NWABA also offers a video resource library that provides adaptive sports training to educators, athletes, and their families; a free equipment lending library that includes audio-enabled and tactile sports equipment so participants can continue to practice and engage in physical activity; and online workouts available Monday-Friday with recorded sessions available, expanding access to all.

**Transform the lives of individuals who are blind and visually impaired by sharing your love of sports as a volunteer guide, giving a gift of financial support, or by becoming a corporate partner today.**

## Who is the Vancouver Society of St. Vincent de Paul?

We are a Catholic lay organization, inspired by Christian values to serve God's children, providing help to the vulnerable population and homeless in the Vancouver community. Our operations began in the Depression year of 1938 with the aggregation of a conference at the downtown parish of St. James Catholic Church. St. Joseph parish was formed in 1952, followed by Our Lady of Lourdes in 1958; each started a SVDP conference and operated separately until the mid-1980s when they merged. In 2000, Holy Redeemer parish was formed and immediately incorporated into what became the Vancouver Conference. With a strong mission, in 2002, it affiliated with the Columbia River District Council of the St. Vincent de Paul Society. Other local conferences, including St. John the Evangelist, Sacred Heart, St. Philip's, and St. Thomas were part of the district council serving many with help, hope, and compassion.

St. Vincent dePaul is considered the oldest charity in the world, begun shortly after the French Revolution in 1833. The society was formed by Frederick Ozanam, a 20-year-old college student in Paris, France, who was challenged to put his faith and words into action. He took the name of St. Vincent de Paul for the new Society, after a priest and saint of the early 17th century who dedicated his whole life to mission work.

### What impact do we have in our community?

- We provide a self-service shopping style food pantry to over 6,500 people each month at our Stapleton Road facility;
- Distribute over 100,000 pounds of food and hygiene each month;
- Provide new and gently used clothing and household items to hundreds of people each month;
- Assist with rent and utility payments to families in need, preventing countless evictions and power interruptions;
- Provide bus tickets, laundry cards and non-perishable lunches to our vulnerable neighbors struggling to make ends meet or living on the streets.

Much of the Vancouver St. Vincent DePaul conference support (funding, food, clothing, and volunteers) comes from four local Catholic parishes. We also gratefully accept helping hands and donations from the wider Vancouver community. As a partner agency with Clark County Food Bank, we can provide food from industry donors, local grocery stores, various food drives and local gardeners.

**Celebrating 85 years of service in Clark County from October 1938 to October 2023. To learn more about our history, please visit [www.svdpvancouverusa.org](http://www.svdpvancouverusa.org).**
