*Thank you to all who participated
in this year's Best of Clark County!*

Best of Clark County is one of the most eagerly anticipated promotions of the year as evidenced by the high level of interaction The Columbian receives from the community. From the businesses and organizations who are vested in the results to the community members who cast more than 120,000 votes this year, interest in being named Clark's County best is at an all-time high.

As a locally-owned, family business, The Columbian is proud to be a part of Best of Clark County and appreciates the efforts of the businesses, organizations and individuals who put in a great deal of work to ask the community to nominate and vote for them.

Show your support by shopping and utilizing the services of these local organizations who continue to help make Clark County the best place to live, work and play.

Best Hair Removal

Hair removal treatments that treat you right.

Through an ancient method of hair removal called sugaring, we apply an all-natural paste upward, targeting the base of your follicles. Then with a flick of the wrist, hairs are removed in the natural direction, resulting in less irritation. Voilà! Hair-free for longer!

Choose us for..

- Less painful method
- Fewer ingrowns
- All natural ingredients (sugar-lemon-water)
- Accessibility (female, male and non-binary)
- Additional brow staining & lamination services
- Great playlists

The wonderful women at SugarThis have created a clean, bright, friendly, laid-back environment that makes you feel very comfortable and cared for.
